¹ EXAMINER: Initial if reference considered, whether or not citation is in conformance with MPEP 604. Draw line through citation if not in conformance and not considered. Include copy of this form with next communication to applicant.

² Unique citation designation number. See kinds of U.S. Patent Documents. Enter Office that issued the document, by the two-letter code (WIPO Standard ST.2). For Japanese patent documents, the individual number of the document is the same as the serial number of the patent document. Kind of document by the appropriate symbol as indicated in the document under WIPO Standard ST.2 is possible. Place a check here if English translation is attached.
